Monday 12th June

	No riding sessions – Please pack up and vacate site by 12 noon.
12 noon	Gates close – drive safely

Notes for ALL riding sessions –

- **You can only ride on the designated tracks! You CANNOT ride in the camping areas, near the entrance gates, across the hills, on a spare paddock or anywhere else except the designated tracks. You also cannot take the 'long way' to the trials area, or do jetting runs in a spare part of the camping area, or teach your friend to ride – it is registered riders, on the designated tracks ONLY. It would be great if we didn't have to spell all this out but it seems we do. You will be asked to leave the event if you cannot meet these guidelines.**
- **Trials tyre** on rear wheel must be used on **Flat track/grass track**
- Tracks may be closed temporarily mid-session for watering or maintenance – please be patient
- The smaller MX track (sponsored by **Shannons Insurance**) is for Pre '78 dirt bikes only, all other bikes up to 1989 use the main **Husqvarna** MX track. The **Novice track** will be incorporated into the Pre '78 track and is for those riders, on any dirt bike up to 1989, who are just learning to ride or who are very inexperienced. Headlight/tail light preferred on the Vinduro loop. Enduro bikes can also use appropriate MX track. Trials bikes **ONLY** in Trials area.
- No wristband, no ride, sign-on at Control Tower to obtain your wristband.
- **NO RACING** – this is NOT a race meeting. Riders of varying abilities will always be on the track at the same time. Please respect your fellow vintage enthusiasts.
- Riders enter track until track capacity is reached. Then, as riders come off, more replace them.
